

# AEYC of WNY February Event

Please come and join us to explore the Botanical Gardens of Buffalo and Erie County for our FREE February event.

This is a wonderful occasion to rediscover a Buffalo gem. There will be a guided tour, the opportunity to make a terrarium, munchies, and networking with other early childhood professionals.

This event is for members and non-members. So, come and bring a friend or two.

Space is limited. Please RSVP to Liza Franz at [epfranz@verizon.net](mailto:epfranz@verizon.net).
